Subject:– General recommendations of the Competent Authority regarding Global Tender Enquiry (GTE) proposals regarding.

Kind reference is invited to the Global Tender Enquiry (GTE) meetings held on 15th June, 2023 at 03:30 PM under the Chairmanship of Secretary (C) with D/o Expenditure and D/for Promotion of Industry and Internal Trade to discuss the GTE proposals of various Administrative Ministries / Departments.

2. In this regard, the undersigned is directed to convey the following general recommendations made by the Competent Authority in the above-mentioned meeting:

(i) In case a similar item was previously approved by the Competent Authority, Administrative Ministries/Departments (AMDs) should submit procurement details/status of such items along with new GTE proposal.

(ii) Domestic tender should have been issued before every new GTE proposal is submitted to Competent Authority. Same domestic tenders may not be used for clearing multiple GTE proposals.

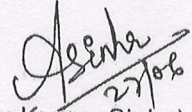

(iii) It was observed that Administrative Ministries/Departments (AMDs) are bringing GTE proposals for same items frequently, which needs to be avoided. For this, AMDs should do proper analysis and consolidate the required quantity for procurement taking into account stock in hand, future requirement and procurements currently underway. The details of such procurement plan need to be submitted alongwith GTE proposal.

(iv) It was observed that development purchase orders (POs) are not getting fulfilled on time. AMDs and DPIIT should proactively engage with such domestic vendors and assist them in fulfilling the development POs on time and such efforts should be demonstrated while submitting GTE proposals for any item for consideration.

(v) All Ministries/Departments should ensure that restrictive conditions for local players/manufacturers are not included in their domestic tenders.

3. The undersigned is also directed to request D/o Expenditure to issue necessary directions to all the concerned stakeholders in respect of general recommendations.

4. This issues with the approval of Competent Authority.
