Coal India inks pact with Konkan Railway Corp to develop rail infra

PTI

NEW DELHI

State-owned Coal India Ltd (CIL) on Tuesday said it has signed a pact with Konkan Railway Corporation Ltd to develop rail infrastructure for the company and its subsidiaries. CIL, which accounts for over 80 per cent of domestic coal output, is actively strengthening its rail infrastructure to improve coal transportation.

The non-binding memorandum of understanding (MoU) was signed between both companies in Kolkata.

"Coal India Ltd and Konkan Railway Corporation Ltd have executed a non-binding memorandum of understanding on August 18, 2025...with an intent of development of rail infrastructure of CIL and its subsidiaries," the company said in a BSE filing.

CIL had earlier entered into a pact with Indian Port Rail &
