NOTICE TO ALL CUSTOMERS

Subject: Digital Signing Facility for Third Party Sampling Agreement (TPSA) Portal

All consumers are informed that the Third-Party Sampling Agreement (TPSA) can now be executed digitally through a dedicated online portal, i.e. **Third-Party Sampling Agreement Portal**. This initiative has been introduced to simplify and expedite the agreement execution process by eliminating the need for physical documentation and enabling a faster, secure, transparent and paperless execution of Third-Party Sampling Agreements.

Access the TPSA Portal

- Via the Coal India Limited website: www.coalindia.in → Quick Links → Digital TPSA Portal
- Direct URL: <https://tpsa.coalindia.in/login>

Key Benefits of the Digitization Initiative

- Convenient and secure digital signing of agreements.
- Reduced turnaround time for agreement execution.
- Paperless and environmentally friendly process.
- Improved tracking and real-time status visibility through the portal.

All consumers are encouraged to use this facility for a seamless and efficient agreement execution experience.

Queries regarding the usage of portal may be sent via email to qc.cil@coalindia.in. A User Manual is attached for reference.

However, the matter of signing of Third-Party Sampling Agreement is to be pursued with the concerned TPSAs and coal companies.
