Join by video system

Dial 25178988593@cilhq4.webex.com

You can also dial 210.4.202.4 and enter your meeting number.

Kindly note the following technical details to join the proposed Video Conference meeting:

1. To connect using Desktop / Laptop etc., all concerned participants may join by clicking the above-mentioned link. It may be ensured that there is good web-camera and microphone-cum-speaker and

internet bandwidth of 2Mbps or above, in order to get a good quality audio-video.

"All are also requested not to access the mentioned link through their Mobiles"

Note : All the participants who are planning to attend the session through web link need to test their PC/laptop/devices etc., by connecting well in advance ahead of their allotted time to ensure that your device is properly configured with the software and if any issues are encountered, they can be dealt with well in advance to avoid any last minute problems.

2. All the participants are requested to connect their respective studios/PC 30 minutes prior to their scheduled time.

Please take care of the following instructions for the proposed Video Conferencing Session -

1. All participants are required to keep their MICROPHONE Muted, when not supposed to be speaking, else it disturbs the entire VC meeting and such participants may be disconnected by the administrator in case of continuous disturbance.

2. All participants are requested to be attentive and maintain decent posture as it would be live VC meeting.

3. Camera position should be in zoom out mode to cover maximum participants"

This is being issued as per clause 4 of Notice Inviting Tender.

The Term and Conditions of Tender Document shall remain unchanged.

Note:

1. Additionally, there is provision for seeking online clarification through the e-procurement portal of CIL during the specified period mentioned in the NIT.
2. CIL shall not be responsible for any technical glitches, network connection, etc., at the bidder's end.
