Sub: **Time extension for Goal Setting under Online PMS 2014-15**

Dear Sir,

Please refer to earlier letter No. CIL/C-5A(PC)/BSC-PMS/124 dated 31.3.2014 vide which schedule of implementation of various processes under Online PMS was communicated and the time limit for goal setting was mentioned as 15th May, 2014.

The status was reviewed and keeping in view of the technical problem experienced during the course of goal setting, the competent authority has approved to extend the time limit for the goal setting process from 15th May, 2014 to 31st May, 2014 to enable all executives complete their goal setting process.

It is further to mention here that the CMPDIL team which is supporting the Online PMS system is in constant effort to resolve technical issues as and when arise.

In the meanwhile we request you to advise all the executives to complete their goal setting process in time. They may also be advised to login into the system in a phased manner at less peak hrs so that congestion by concurrent login is avoided for better speed.

Your kind cooperation is highly solicited.

Yours faithfully,

(M. Nazar Ali)
