- To identify a pool of high performing and high potential executives and to groom them for occupying critical positions.
- b) To ensure that an executive is ready to assume the responsibilities of the next higher level critical role.
- c) To groom the next set of leaders occupying critical positions, especially given the significant number of retirements slated in the immediate future, through a process of accelerated development interventions.
- d) To put in place a systematic development plan to provide comprehensive leadership development opportunities to executives.

#### 7.1 Identification of Critical Positions/ Roles

- b) A pool of high performing and high potential Executives from among E5 & above will be selected from all disciplines for accelerated grooming.
- c) The selection would be done, by applying the following norms, from among executives who acquired a minimum average of 75% marks in the preceding 4 years' PMS rating with at least two 'Outstanding' ratings.

Candidate assessment			
Elements of assessment	E5 to E7	E7 & E8	E8-A
PMS rating for 4 years	40	40	35
Field Experience	20	10	10
Corporate Experience	NA	5	10
Additional qualification (Post appointment)	5	5	5
Potential assessment	25	30	30
Trainings undergone in the preceding 4 years	10	10	10
Total	100	100	100

i. PMS rating: While computing the PMS rating, an aggregate of last 4 years PRIDE/ PAR rating would be considered.

## Example

If the ratings for the last 4 years are 4.6, 4.5, 3.8, 3.6

The aggregate score = 4.6 + 4.5 + 3.8 + 3.6 = 16.5 out of 20

PMS rating score out of 40 = 82.5 % of 40 = 33.0
