On promotion, the above executives will be on probation for a period of one year at the first instance.

The promotion will be effective on and from the date the above executives report to respective company on transfer and actually assume charge of the higher post. Further assignment of promoted executives will be decided by the CMD of the respective company.

As per extant transfer policy, all executives transferred to new place of posting on promotion to E6 grade should be released to join promoted post in the respective company within 30 days from the issue of the order. In the event of non-release, the executives will be deemed to have been released on expiry of 30 days and must join accordingly. Non-joining on the promoted post within the stipulated time would lead to cancellation of the promotion order and debarring the executive for one subsequent DPC for promotion to the post.

This issues with the approval of the Competent Authority.
