6. DETAILS OF THE BUYBACK

- 6.1 The Board of Directors hereinafter referred to as the "**Board**", (which expression includes any committee constituted by the Board to exercise its powers, including the powers conferred by this resolution) of the Company, at its meeting held on February 4, 2019 ("**Board Meeting**") approved the proposal for the buyback of up to 4,46,80,850 (Four crore forty six lakh eighty thousand eight hundred and fifty only) Equity Shares at a price of Rs. 235/- (Rupees two hundred and thirty five only) per Equity Share (the "**Buyback Price**") payable in cash for an aggregate consideration not exceeding Rs. 1,050 crore (Rupees one thousand and fifty crore only) ("**Maximum Buyback Size**") (which does not exceed 10% of the total paid-up equity capital and free reserves of the Company as

per the audited standalone financial statements of the Company for the financial year ended March 31, 2018), from the shareholders (“**Shareholders**”) of the Company on a proportionate basis through a tender offer in accordance with the provisions of the Companies Act, 2013 (“**Companies Act or the Act**”) and, the Companies (Share Capital and Debentures) Rules, 2014 (the “**Share Capital Rules**”), and in compliance with the Buyback Regulations (“**Buyback**” or “**Buyback Offer**”). The Maximum Buyback Size does not include any expenses incurred or to be incurred for the Buyback like filing fees payable to SEBI, advisors fees, transaction costs viz. brokerage, applicable taxes such as securities transaction tax, goods and service tax, stamp duty, public announcement publication expenses, printing and dispatch expenses and other incidental and related expenses. The Buyback is subject to receipt of any approvals of statutory, regulatory or governmental authorities as may be required under applicable laws, including the Reserve Bank of India, the Securities and Exchange Board of India (“**SEBI**”), and the stock exchanges on which the Equity Shares are listed, namely, the National Stock Exchange of India Limited (“**NSE**”) and the BSE Limited (“**BSE**”) (hereinafter together referred to as the “**Stock Exchanges**”).

- 6.2 The Buyback shall be undertaken on a proportionate basis from the Eligible Shareholders through the tender offer process prescribed under Regulation 4(iv)(a) of the Buyback Regulations. Additionally, the Buyback shall be, subject to applicable laws, facilitated by tendering of Equity Shares by Eligible Shareholders and settlement of the same, through the Stock Exchange Mechanism as specified in the SEBI Circular.
- 6.3 This Buyback from non-resident members, Overseas Corporate Bodies (OCBs) and Foreign Institutional Investors (FIIs) / Foreign Portfolio Investors (FPIs), and members of foreign nationality, if any, etc. is subject to such approvals as may be required including approvals from the Reserve Bank of India under the Foreign Exchange Management Act, 1999 and the rules, regulations framed thereunder, if any, and such approvals shall be required to be taken by such non-resident members.
- 6.4 In terms of the Buyback Regulations, under tender offer route, the Promoter of the Company, has the option to participate in the Buyback. Accordingly, the Promoter of the Company i.e., the President of India acting through the Ministry of Coal, Government of India (“**Promoter**”), has informed vide a letter, dated February 4, 2019, to participate in the Buyback and tender up to 4,46,80,850 Equity Shares.
- 6.5 The details of the paid-up equity share capital and free reserves of the Company based on the audited standalone and consolidated financial statements of the Company for the financial year ended March 31, 2018 and the Maximum Buyback Size as a percentage of the Company’s total paid-up equity share capital and free reserves is as under:

<i>Particulars</i>	<i>Standalone</i>	<i>Consolidated</i>
Issued, subscribed and fully paid up equity share capital (Rs. in Crore)	6,207.41	6,207.41
Free Reserves	4,441.74	10,049.75
Total Paid up capital and free reserves	10,649.15	16,257.16
Maximum Buyback Size (Rs. in Crore)	1,050.00	1,050.00
Maximum Buyback Size as a percentage of fully paid-up share capital and free reserves (in %)	9.86%	6.46%

The Maximum Buyback Size therefore does not exceed 10% (for a Buyback under the board approval route as provided for under the first proviso to Section 68(2)(b) of the Act) of the Company’s total paid-up equity share capital and free reserves as per the last audited standalone and consolidated statements for the financial year ended March 31, 2018.

- 6.6 Further, under the Companies Act, the number of equity shares that can be bought back in any financial year cannot exceed 25% of the total paid-up equity capital of the Company in that financial year. Accordingly, the maximum number of equity shares that can be bought back in the current financial year is 4,46,80,850 Equity Shares. Since the Company proposes to buy back up to 4,46,80,850 (Four crore forty six lakh eighty thousand eight hundred and fifty) Equity Shares constituting 0.72% of the total paid-up Equity Shares of the Company, the same is within the aforesaid 25% limit.
- 6.7 Pursuant to the proposed Buyback and depending on the response to the Buyback, the voting rights of the Promoter in the Company may increase or decrease from the existing shareholding of the total equity capital and voting rights of the Company. The Promoter is already in control over the Company

and therefore any further increase in the voting rights of the Promoter will not result in any change in control of the Company. Please refer to paragraph 19.3 of this Draft Letter of Offer for further details regarding shareholding (pre and post buyback) of the Promoter in the Company.

6.8 The Company, in compliance with regulation 4(v) of the Buyback Regulations, is not undertaking this Buyback so as to delist its Equity Shares or other specified securities from the stock exchanges.

7. AUTHORITY FOR THE BUYBACK

The Buyback is being undertaken by the Company in accordance with Article 23 of the Articles, the provisions of Sections 68, 69, 70 and all other applicable provisions of the Companies Act, the Rules thereunder and the Buyback Regulations. The Board at its meeting held on February 4, 2019, passed a resolution approving the Buyback of Equity Shares of the Company. The Buyback is subject to such other approvals and permissions, as may be required from statutory, regulatory or governmental authorities under applicable laws.

8. NECESSITY FOR THE BUYBACK

The Board of the Company, at its meeting held on February 4, 2019, considered all relevant factors, and considered it appropriate to allocate a sum not exceeding Rs. 1,050 crore (Rupees one thousand and fifty crore only) for Buyback Offer.

Thus, after considering several factors as well as benefits to the shareholders holding equity shares of the Company, the Board decided to recommend Buyback at a price of Rs. 235/- (Rupees two hundred and thirty five only) per Equity Share for an aggregate consideration not exceeding Rs. 1,050 crore (Rupees one thousand and fifty crore only).

The Buyback is being undertaken by the Company to return surplus funds to its Shareholders. Additionally, the Company's management strives to increase Shareholders' value and the Buyback would result inter alia in the following:

- i. The Buyback involves allocation of higher number of equity shares as per their entitlement or 15% of the number of equity shares which the Company proposes to Buyback reserved for small shareholders. The Company believes that this reservation for small shareholders would benefit a large number of public Shareholders, who would get classified as "Small Shareholders;
- ii. The Buyback may help in improving return on equity, by reduction in the equity base, and other financial ratios, thereby leading to long term increase in Shareholders' value; and
- iii. The Buyback gives an option to the Eligible Shareholders to either participate in the Buyback and receive cash in lieu of equity shares accepted under the Buyback or not participate in the Buyback and enjoy a resultant increase in their percentage shareholding in the Company post the Buyback without any additional investment.

9. MANAGEMENT DISCUSSION AND ANALYSIS OF THE LIKELY IMPACT OF THE BUYBACK ON THE COMPANY

9.1 We believe that the Buyback is not likely to cause any impact on the profitability or earnings of the Company, except to the extent of reduction in the amount available for investment, which the Company could have otherwise deployed towards generating investment income. In the event that there is full acceptance of the Equity Shares tendered in the Buyback from Eligible Shareholders on a proportionate basis, the funds deployed by the Company towards the Buyback would not be exceeding Rs. 1,050 crore (Rupees one thousand and fifty crore only). This shall impact the investment income earned by the Company, on account of reduced amount of funds available for investments.

9.2 We believe the Buyback will not in any manner impair the ability of the Company to pursue growth opportunities or meet its cash requirements for business operation.

9.3 The Buyback will not result in a change in control or otherwise affect the existing management structure of the Company.

9.4 The aggregate shareholding of the Promoter as on February 4, 2019, i.e. the date of convening the Board Meeting, is as follows:

Sr. No.	Name	No. of Shares held	Percentage (%)
1.	President of India acting through the Ministry of Coal, Government of India	4,52,56,82,514	72.91%
Total		4,52,56,82,514	72.91%

- 9.5 In terms of the Buyback Regulations, under the Tender Offer route, the Promoter of the Company, has the option to participate in the Buyback. In this regard, the Promoter of the Company has expressed its intention vide a letter dated February 4, 2019, to participate in the Buyback and tender up to 4,46,80,850 Equity Shares.
- 9.6 Since the entire shareholding of the Promoter is in demat mode, the details of the date and price of acquisition/sale of entire Equity Shares that the Promoter has acquired/sold till date as per the information provided by the Promoter vide its letter dated February 4, 2019, are set-out below:

- 19.1 The Company proposes to Buyback upto 4,46,80,850 Equity Shares from the existing Eligible Shareholders of Equity Shares of the Company, on a proportionate basis, through the Tender Offer route at a price of Rs. 235/- (Rupees two hundred and thirty five only) per Equity Share, payable in cash for an aggregate consideration not exceeding Rs. 1,050 crore (Rupees one thousand and fifty crore only), which represents 9.86% of the aggregate of the fully paid-up equity share capital and free reserves as per the last audited standalone financial statements of the Company. The maximum number of Equity Shares proposed to be bought back represents approximately 0.72% of the total paid-up equity share capital of the Company as on March 31, 2018. The Buyback is in accordance with Article 23 of the Articles of Association of the Company and subject to the provisions of Section 68, 69 and 70 and all other applicable provisions, if any, of the Companies Act and in compliance with Buyback Regulations and subject to such other approvals, permissions and sanctions as may be necessary, from time to time from statutory authorities including but not limited to SEBI, Stock Exchanges, RBI etc.

- 19.2 The aggregate shareholding of the Promoter as on the date of publication of the public announcement i.e. February 6, 2019 is 4,52,56,82,514 Equity Shares, which represents 72.91% of the existing equity share capital of the Company. In terms of the Buyback Regulations, under the Tender Offer route, the Promoter of the Company, has the option to participate in the Buyback. In this regard, the Promoter of the Company has expressed its intention vide a letter dated February 4, 2019, to participate in the Buyback and tender up to 4,46,80,850 Equity Shares.
- 19.3 Assuming response to the Buyback Offer is to the extent of 100% from all the Eligible Shareholders upto their entitlement (full acceptance), post Buyback the aggregate shareholding of the Promoter will be [●] Equity Shares, representing [●]% of the post Buyback equity share capital of the Company i.e an [increase/decrease] of [●]% (rounded-off) from their present holding of 72.91% of the pre Buyback equity share capital of the Company.
- 19.4 **Record Date, Ratio of Buyback as per the Buyback Entitlement of each category**
- a. The Board of Directors on February 4, 2019 has fixed Friday, February 15, 2019 as the Record Date for the purpose of determining the entitlement and the names of the Equity Shareholders, who are eligible to participate in the Buyback Offer.
 - b. The Equity Shares proposed to be bought back by the Company shall be divided in two categories:
 1. Reserved category for Small Shareholders (“**Reserved Category**”); and
 2. General category for all Eligible Shareholders other than Small Shareholders (“**General Category**”)
 - c. As defined under Regulation 2(i)(n) of the Buyback Regulations, a “Small Shareholder” is a Shareholder who holds Equity Shares whose market value, on the basis of closing price on [●] as on Record Date, is not more than Rs. 2,00,000/- (Rupees Two Lakh only). As on the Record Date, the closing price on [●], having the highest trading volume was Rs. [●] per Equity Share, accordingly all Shareholders holding not more than [●] Equity Shares as on the Record Date are classified as ‘Small Shareholders’ for the purpose of the Buyback Offer.
 - d. Based on the above definition, there are [●] Small Shareholders with aggregate shareholding of [●] Equity Shares, as on the Record Date, which constitutes [●]% of the outstanding number of Equity Shares of the Company and [●]% of the maximum number of Equity Shares which are proposed to be bought back as part of this Buyback Offer.
 - e. In compliance with Regulation 6 of the Buyback Regulations, the reservation for the Small Shareholders, will be [●] Equity Shares which is higher of:
 - i. Fifteen percent of the number of Equity Shares which the Company proposes to Buyback i.e. 15% of [●] Equity Shares which works out to [●] Equity Shares; or
 - ii. The number of Equity Shares to which the Small Shareholders are entitled, as per their shareholding as on Record Date i.e. $[(\frac{[●]}{[●]} \times [●])]$ which works out to [●] Equity Shares.

All the outstanding fully paid up Equity Shares have been used for computing the entitlement of Small Shareholders since the Promoter also intend to offer Equity Shares held by them in the Buyback.
 - f. Based on the above analysis and in accordance with Regulation 6 of the Buyback Regulations, [●] Equity Shares have been reserved for the Small Shareholders (“**Reserved Category**”) and accordingly, the General Category for all other Eligible Shareholders shall consist of [●] Equity Shares (“**General Category**”).
 - g. Based on the above, the entitlement ratio of Buyback for both categories is decided as below:

Category Entitlement Ratio of Buyback

Category	Entitlement Ratio of Buyback*
Reserved Category	[●] Equity Shares out of every [●] fully paid-up Equity Shares held on the Record Date
General Category	[●] Equity Shares out of every [●] fully paid-up Equity Shares held on the Record Date

**The above Ratio of Buyback is approximate and providing indicative Buyback Entitlement. Any computation of entitled Equity Shares using the above Ratio of Buyback may provide a slightly different number due to rounding-off. The actual Buyback Entitlement for Reserved category for Small Shareholders is [●]% and General category for all other Eligible Shareholders is [●]%.*

19.5 Fractional entitlements

If the entitlement under Buyback, after applying the above mentioned ratios to the Equity Shares held on Record Date, is not a round number (i.e. not in the multiple of 1 Equity Share) then the fractional entitlement shall be ignored for computation of entitlement to tender Equity Shares in the Buyback Offer, for both categories of Eligible Shareholders.

On account of ignoring the fractional entitlement, those Small Shareholders who hold [●] or less Equity Shares as on Record Date, will be dispatched a Tender Form with zero entitlement. Such Small Shareholders are entitled to tender additional Equity Shares as part of the Buyback Offer and will be given preference in the acceptance of one Equity Share, if such Small Shareholders have tendered additional Equity Shares.

19.6 Basis of acceptance of Equity Shares validly tendered in the Reserved Category

Subject to the provisions contained in this Draft Letter of Offer, the Company will accept the Shares tendered in the Buyback Offer by the Small Shareholders in the Reserved Category in the following order of priority:

- a. Full acceptance (100%) of Shares from Small Shareholders in the Reserved Category who have validly tendered their Shares, to the extent of their Buyback Entitlement, or the number of Shares tendered by them, whichever is less.
- b. Post the acceptance as described in paragraph 19.6(a) above, in case, there are any Shares left to be bought back from the Small Shareholders in the Reserved Category, the Small Shareholders who were entitled to tender zero Shares (on account of fractional entitlement), and have tendered additional Shares, shall be given preference and one Equity Share each from the additional Shares tendered by these Small Shareholders shall be bought back in the Reserved Category.
- c. Post the acceptance as described in paragraph 19.6(a) and (b), in case, there are any validly tendered unaccepted Shares in the Reserved Category (“**Reserved Category Additional Shares**”) and Shares left to be bought back in Reserved Category, the Reserved Category Additional Shares shall be accepted in a proportionate manner and the acceptances shall be made in accordance with the Buyback Regulations, i.e. valid acceptances per Eligible Shareholder shall be equal to the Reserved Category Additional Shares tendered by the Eligible Shareholder divided by the total Reserved Category Additional Shares and multiplied by the total number of Shares remaining to be bought back in Reserved Category. For the purpose of this calculation, the Reserved Category Additional Shares taken into account for such Small Shareholders, from whom one Equity Share has been accepted in accordance with paragraph 19.6(b), shall be reduced by one.
- d. Adjustment for fractional results in case of proportionate acceptance, as described in paragraph 19.6(c), will be made as follows:
 - For any Small Shareholder, if the number of Additional Shares to be accepted, calculated on a proportionate basis is not in the multiple of 1 (one) and the fractional acceptance is greater than or equal to 0.50 (point five zero), then the fraction would be rounded off to the next higher integer.
 - For any Small Shareholder, if the number of Additional Shares to be accepted, calculated on a proportionate basis is not in the multiple of 1 and the fractional acceptance is less than 0.50, then the fraction shall be ignored.

19.7 Basis of acceptance of Equity Shares validly tendered in the General Category

Subject to the provisions contained in this Draft Letter of Offer, the Company will accept the Shares tendered in the Buyback Offer by Eligible Shareholders (other than Small Shareholders) in the General Category in the following order of priority:

- a. Full acceptance (100%) of Shares from Eligible Shareholders in the General Category who have validly tendered their Shares, to the extent of their Buyback Entitlement, or the number of Shares tendered by them, whichever is less.
- b. Post the acceptance as described in paragraph 19.7 (a), in case, there are any validly tendered unaccepted Shares in the General Category (“**General Category Additional Shares**”) and Shares left to be bought back in General Category, the General Category Additional Shares shall be accepted in a proportionate manner and the acceptances shall be made in accordance with the Buyback Regulations, i.e. valid acceptances per Shareholder shall be equal to the General Category Additional Shares by the Shareholder divided by the total General Category Additional Shares and multiplied by the total number of Shares remaining to be bought back in General Category.
- c. Adjustment for fractional results in case of proportionate acceptance, as described in paragraph 19.7 (b), will be made as follows:
 - For any Eligible Shareholder, if the number of Additional Shares to be accepted, calculated on a proportionate basis is not in the multiple of 1 and the fractional acceptance is greater than or equal to 0.50, then the fraction would be rounded off to the next higher integer.
 - For any Eligible Shareholder, if the number of Additional Shares to be accepted, calculated on a proportionate basis is not in the multiple of 1 and the fractional acceptance is less than 0.50, then the fraction shall be ignored.

19.8 **Basis of acceptance of Equity Shares between the two categories**

- a. After acceptances of tenders, as mentioned in paragraph 19.6 and 19.7, in case, there are any Shares left to be bought back in one category (“**Partially Filled Category**”) and there are additional unaccepted validly tendered Shares (“**Further Additional Shares**”) in the second category (“**Over Tendered Category**”), then the Further Additional Shares in the Over Tendered Category shall be accepted in a proportionate manner i.e. valid acceptances per Shareholder shall be equal to Further Additional Shares validly tendered by the Shareholder in the Over Tendered Category divided by the total Further Additional Shares in the Over Tendered Category and multiplied by the total Shares left to be bought back in the Partially Filled Category.
- b. If the Partially Filled Category is the General Category and the Over Tendered Category is the Reserved Category, then any Small Shareholder who has received a Tender Form with zero Buyback Entitlement and who has tendered Additional Shares shall be eligible for priority acceptance of one Equity Share before acceptance in paragraph 19.8(a) out of the Shares left to be bought back in the Partially Filled Category provided no acceptance could take place from such Shareholder in accordance with paragraph 19.6.
- c. Adjustment for fraction results in case of proportionate acceptance, as defined in paragraph 19.8(a) and (b):
 - For any Eligible Shareholder, if the number of Further Additional Shares to be accepted, calculated on a proportionate basis is not in the multiple of 1 and the fractional acceptance is greater than or equal to 0.50, then the fraction would be rounded off to the next higher integer.
 - For any Eligible Shareholder, if the number of Further Additional Shares to be accepted, calculated on a proportionate basis is not in the multiple of 1 and the fractional acceptance is less than 0.50, then the fraction shall be ignored.

In case of any practical issues, resulting out of rounding-off of Shares or otherwise, the Buyback Committee or any person(s) authorized by the Buyback Committee will have the authority to decide such final allocation with respect to such rounding-off or any excess of Equity Shares or any shortage of Equity Shares after allocation of Equity Shares as set out in the process described in paragraph 19.

19.9 For avoidance of doubt, it is clarified that, in accordance with the clauses above:

- Shares accepted under the Buyback from each Eligible Shareholder, shall be lower of the following:
 - the number of Shares tendered by the respective Eligible Shareholder and
 - the number of Shares held by the respective Eligible Shareholder, as on the Record Date.
- Shares tendered by any Eligible Shareholder over and above the number of Shares held by such Eligible Shareholder as on the Record Date shall not be considered for the purpose of acceptance.

19.10 Clubbing of Entitlement

In order to ensure that the same shareholders with multiple demat accounts/ folios do not receive a higher entitlement under the Small Shareholder category, the Company will club together the Equity Shares held by such shareholders with a common PAN for determining the category (Small Shareholder or General) and entitlement under the Buyback. In case of joint shareholding, the Company will club together the Equity Shares held in cases where the sequence of the PANs of the joint shareholders is identical. In case of Eligible Shareholders holding Equity Shares in physical form, where the sequence of PANs is identical and where the PANs of all joint shareholders are not available, the Company will check the sequence of the names of the joint holders and club together the Equity Shares held in such cases where the sequence of the PANs and name of joint shareholders are identical. The shareholding of institutional investors like mutual funds, pension funds / trusts, insurance companies, etc. with a common PAN will not be clubbed together for determining the category and will be considered separately where these Equity Shares are held for different schemes and have a different demat account nomenclature based on information prepared by the Registrar as per the shareholder records received from the Depositories. Further, the Equity Shares held under the category of “clearing members” or “corporate body margin account” or “corporate body – broker” as per the beneficial position data as on Record Date with common PAN are not proposed to be clubbed together for determining their entitlement and will be considered separately, where these Equity Shares are assumed to be held on behalf of clients.

- 3 In case of certain client types viz. Non-Resident Shareholders. (where there may be specific RBI and other regulatory requirements pertaining to funds pay-out) who do not opt to settle through custodians, the funds pay-out would be given to their respective Seller Member’s settlement accounts for releasing the same to the respective Eligible Shareholder’s account. For this purpose, the client type details would be collected from the Depositories, whereas amount payable to the Eligible Shareholder pertaining to the bids settled through custodians will be transferred to the settlement bank account of the custodian, each in accordance with the applicable mechanism prescribed by the Designated Stock Exchange and the Clearing Corporation from time to time.

- 6 The Eligible Shareholders will have to ensure that they keep the DP account active and unblocked to receive credit in case of return of Equity Shares, due to rejection or due to non-acceptance of shares under the Buyback.
- 7 Excess demat Equity Shares or unaccepted demat Equity Shares, if any, tendered by the Eligible Shareholders would be returned to them by the Clearing Corporation directly to the respective Eligible Shareholder’s DP account, as part of the exchange payout process. If the securities transfer instruction is rejected in the depository system, due to any issue then such securities will be transferred to the Seller Member’s depository pool account for onward transfer to the Eligible Shareholder. In case of custodian participant orders, excess demat Shares or

unaccepted demat Shares, if any, will be returned to the respective custodian participant. The Seller Members would return these unaccepted Equity Shares to their respective clients on whose behalf the bids have been placed. Any excess physical Equity Shares pursuant to proportionate acceptance/rejection will be returned back to the Eligible Shareholders directly by the Registrar. 21.1 CLASSIFICATION OF SHARES AND SHAREHOLDERS:

- i. **Based on the provisions of the Income Tax Act, shares can be classified under the following two categories:**
 - a. Shares held as investment (Income from transfer taxable under the head “Capital Gains”)
 - b. Shares held as stock-in-trade (Income from transfer taxable under the head “Profits and Gains from Business or Profession”)
- ii. **Based on the provisions of the Income Tax Act, shareholders can be classified under the following categories:**
 - a. **Resident Shareholders being:**
 - Individuals, HUF, AOP and BOI
 - Others
 - b. **Non Resident Shareholders being:**
 - NRIs
 - FIIs
 - Others :
 - ▶ Company
 - ▶ Other than Company

21.2 Shares held as investment

- i. For non-residents, taxability of capital gains would be subject to beneficial provisions of applicable Double Taxation Avoidance Agreement (‘DTAA’);
- ii. The taxability of gains as per the provisions of the Income Tax Act, 1961:
 - a. Nature of capital gains as per the provisions of the Income Tax Act, 1961.

As per the provisions of the Income Tax Act, 1961, for the purpose of determining as to whether the capital gains are short-term or long-term in nature:

- Section 2(42A) – Where a capital asset, being listed equity shares of the Company being bought back, is held for a period of less than or equal to 12 months prior to the date of transfer, the same shall be treated as a short-term capital asset, and the gains arising therefrom shall be taxable as short-term capital gains (STCG).
 - Section 2(42A) – Similarly, where listed equity shares are held for a period of more than 12 months prior to the date of transfer, the same shall be treated as a long-term capital asset, and the gains arising therefrom shall be taxable as long-term capital gains (LTCG).
- b. Capital gains on buyback of shares are governed by the provisions of section 46A of the Income Tax Act, 1961. As per the provisions of section 46A, buyback of shares held as investment, would attract capital gains in the hands of shareholders as per provisions of section 48 of the Income Tax, Act, 1961.

Buyback of shares through a recognized stock exchange

- iii. Where transaction for transfer of such equity shares (i.e. buyback) is entered into through a recognized stock exchange and such transaction is chargeable to Securities Transaction Tax (STT), the taxability is as under (for all categories of shareholders):

- a. LTCG arising from such transaction would be exempt under section 10(38) of the Income Tax Act, 1961; and
- b. STCG arising from such transaction would be subject to tax @ 15% under section 111A of the Income Tax Act, 1961.

Further, in case of resident Individual or HUF, the benefit of maximum amount which is not chargeable to income-tax is considered while computing the tax on such STCG.

21.3 Shares held as stock-in-trade

- i. If the shares are held as stock-in-trade by any of the Shareholders of the Company, the gains would be characterized as business income. In such a case, the provisions of section 46A of the Income Tax Act would not apply.
- ii. Resident Shareholders:
 - a. For individuals, HUF, AOP, BOI, profits would be taxable at slab rates;
 - b. For persons other than individuals, HUF, AOP, BOI profits would be taxable at the applicable rate;
 - c. No benefit of indexation by virtue of period of holding would be available in any case.
- iii. Non Resident Shareholders:
 - a. For Non Residents, taxability of profits as business income would be subject to beneficial provisions of applicable DTAA;
 - b. Where DTAA provisions are not applicable:
 - For non-resident individuals, HUF, AOP, BOI, profits would be taxable at slab rates;
 - For foreign companies, profits would be taxed in India @ 40%;

- i. In case of Resident Shareholders

In absence of any specific provision under the Income Tax Act, 1961, the Company shall not deduct tax on the consideration payable to resident shareholders pursuant to the said Buyback.

- ii. In the case of Non Resident Shareholders.

Since the buyback is through the stock exchange, the responsibility of discharge of the tax due on the gains (if any) is on the non-resident shareholder. It is therefore recommended the non-resident shareholder may consult their custodians / authorized dealers / tax advisors appropriately.

21.5 THE TAX RATE AND OTHER PROVISIONS MAY UNDERGO CHANGES:

- i. In addition to the above Capital Gain Tax, Surcharge and Health & Education Cess are leviable as under:
 - a. In case of foreign companies and FIIs : Surcharge is levied @ 2% on the amount of income tax, if total income exceeds Rs.1 crore but does not exceed Rs.10 crore and @ 5% on the amount of income-tax if total income exceeds Rs.10 crore;

 - g. Further in the case of any other resident individual, every HUF / AOP / BOI / artificial juridical person, where the total income is more than Rs.2.5 lakh, Health & Education Cess of 4% will be levied on the amount of income tax plus surcharge.
- ii. The above note on taxation sets out the provisions of law in a summary manner only and is not a complete analysis or listing of all potential tax consequences of the disposal of equity shares.
 - iii. All the above benefits are as per the current tax laws (including amendments made by the Finance Act, 2018), legislation, its judicial interpretation and the policies of the regulatory authorities are subject to change from time to time, and these may have a bearing on the benefits listed above.
